

# Halloween

- Explain the dangers of illegal fireworks and bonfires to children and teenagers.
- Stay a safe distance from bonfires and fireworks – wind can carry sparks long distances and cause permanent injuries and scars.
- Keep dangerous substances such as oil, petrol and diesel away from fires or fireworks.
- Respect the Emergency Services in doing their jobs.
- Keep pets indoors on Halloween night.
- If your Bonfire gets out of hand, dial 999 and ask for your local Fire Brigade immediately.
- Before leaving the bonfire, pour water on the embers.
- Fires should be completely extinguished before supervising adults leave the scene.
