Dear Stakeholder,

**Subject: LDR4 Abbeyland – Public Consultation No. 1: Study Area / Route Corridors**

As you may be aware Meath County Council has commenced the early stages of development of a new road scheme in Navan to connect the R147 Kells Road to the L3409 Ratholdren Road through Abbeyland.

The delivery of this local distributor road, LDR4, will include a new bridge over the River Blackwater improving access to the north of the town and from the north of the town to the M3 Motorway.

To facilitate participation in the consultation, Meath County Council and their Engineering Consultants, AECOM, are holding a **public information event at the Ardboyne Hotel, on Thursday 11th January 2018 between 2.30pm and 8.30pm.**

Meath County Council invites the residents of the surrounding areas, members of the public and interested parties to participate in this public consultation.

The information event provides an opportunity for you to get further information about the LDR4 Abbeyland, Navan.

If you have any queries in relation to the project please contact AECOM Project Manager Eoin Greene at 01 2383100 or email [eoin.greene@aecom.com](mailto:eoin.greene@aecom.com) or you can contact Meath County Council Project Liaison Officer Mr. Ronan McEnroe at 046-9097000 or email [transport@meathcoco.ie](mailto:transport@meathcoco.ie)
