Participation, Democracy and Good Governance

What is necessary to ensure that our local government structures support the wellbeing of our community for this and future generations? What is necessary to ensure that we have a voice in the decisions that affect us, and that all voices are being heard?

Communication

- Language - more user friendly

Ability of communities to influence outcomes

- Celebrate success so people can believe they can change
- Self and group advocacy – giving everyone the option to be heard so our opinions cannot be ignored
- Lack of consultation with local residents
- Improve understanding between top and ground levels
- More recognition/acknowledgement from top down to the voice from the ground
- Value at the top of issue from the ground
- Voluntary community groups do not have an equal say with some of the community groups who have paid employees, CEOs, etc

Powers for local government

- Take more control back from central government
- Town council and mayor with executive powers
- Junior u18 town council voted for by youth of town

Challenges to be addressed

- Insurance for everything ; services and businesses closing down

Council responsibility

- Affordable housing
- Things are stuck and need to see movement, progress
- How many consultant reports are needed? Revisit previous reports
- CPO derelict sites

Local government organization

- All structures of local government to be universal and follow the same structures where possible.
- Allocate council officials to work for/ in municipal districts where they live

Recognition and support for C&V work

- Grant applications: add a box on the form for "no changes since last year". Same for reports

- All volunteers to get tax credits for hours whether working or not.
- Give more say to community volunteers who contribute handsomely and work for nothing
- Insurance for voluntary community groups is getting more expensive each year
- Too much bureaucracy and officialdom. Unwieldy. Stifles community development at a local level.

Support for people with disabilities

- A local authority link person for people with disabilities
- Accessible polling stations everywhere for people with physical.

- Awareness/ acceptance of homelessness in our community.

Community Facilities

- State-built and fully funded multipurpose community centres; spaces for everyone.
- Day centres and services for all community groups.
- Proper facilities to encourage everyone to go out.
- Address lack of services and amenities in Johnstown, especially for young people, to address anti-social behaviour.

Sustaining Irish Culture

- Set dancing for every age (8-80+) for social fun.
- Provide local Irish language classes (spoken word).
- Remember where we come from; our history, traditions, etc. (Vikings, heritage furniture, etc.)

The Story of Navan

- Promote a belonging to the town; "People of Navan".
- Share the story of Navan.
- The Tourist office to create a virtual App.

Health (Physical and Mental)

How can all members of our community enjoy the best possible physical and mental health? What about people with special needs, older people and carers?

Health Services

- Better support for teenage mental health.
- Reduced waiting lists for health services.
- Have some of the buses which are currently using the N£ route change to Boyne road, Athlumney, Kentstown Road N2 to facilitate patients going to Dublin hospitals e.g Beaumont, Mater, Bons, etc.
- Keep hospital functional and open.
- Upgrade the hospital and Accident and Emergency department for youth.
