A GUIDE TO DOWNLOADING & SETTING UP WHATSAPP
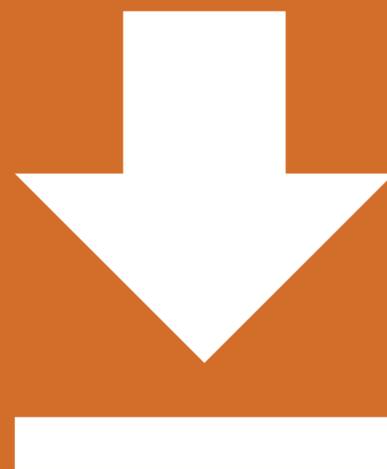

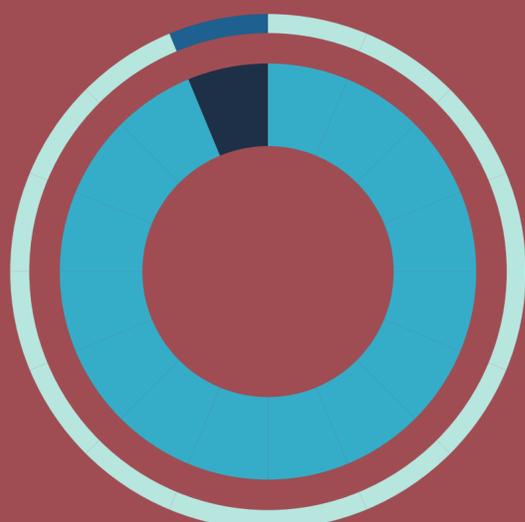

1.

Go to the App/ Play Store . (depending on your device). Search for WhatsApp (green symbol above)

2.

Tap on 'get' or 'download'
Tap 'install' & when prompted, enter your password

3.

WhatsApp should begin to download (this will only take a few minutes). Tap 'open' from the App Store or click the icon on the home screen to open the app

4.

In order to complete the set up, you must input your mobile number. WhatApp will send you a text message to verify your phone number. Once this is complete, you can get started

A GUIDE TO CREATING A WHATSAPP GROUP

1.

Tap into the WhatsApp Icon on your phone & open 'chats' from the bottom menu bar

2.

NEW

Tap 'New Group' on the top right hand side of the menu

3.

You will be prompted to add participants - chose who you would like to add to the group and tap 'next'

4.

Add your group subject e.g 'family' Then tap 'create' - you can now chat in a group where all participants will see the conversation

A GUIDE TO MAKING A WHATSAPP VIDEO CALL

1.

Tap into the WhatsApp Icon on your phone & open 'calls' from the bottom menu bar

2.

Tap 'search' in the top search bar and find the name of the person you want to call (they must also have WhatsApp)

3.

When the person's name is displayed, tap the video icon

4.

This will start the video call with the person you wish to speak to. Tap the red phone 'icon' to hang up
