Blossom Ireland

For a Life Like Any Other

## Step-by-step tutorial
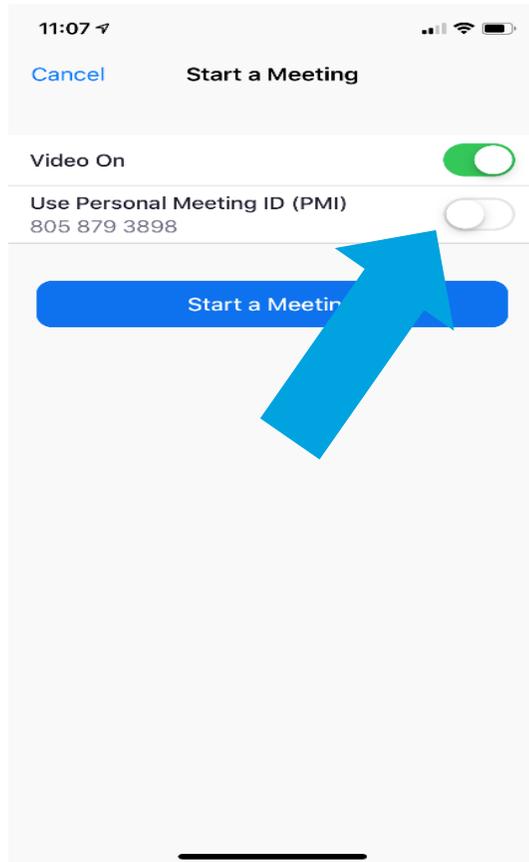

How to do a zoom video call?
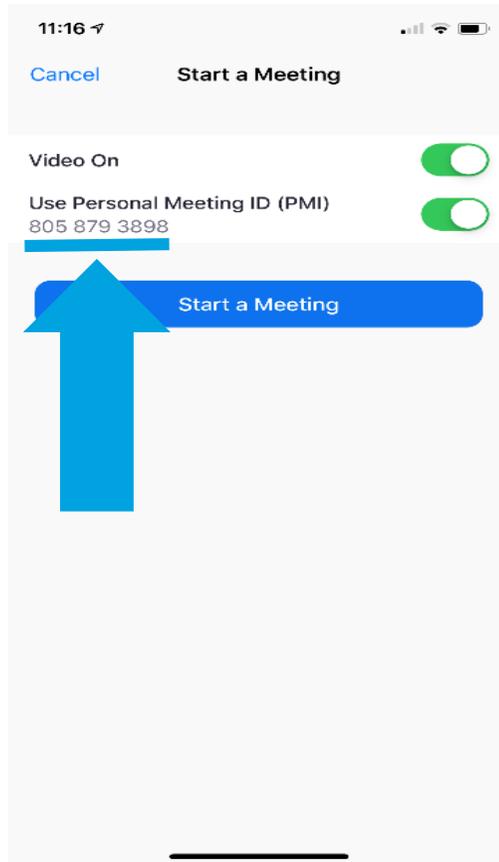

zoom

Step 1

Open Zoom on your phone

Step 2

Press the New Meeting button on the screen

Step 3

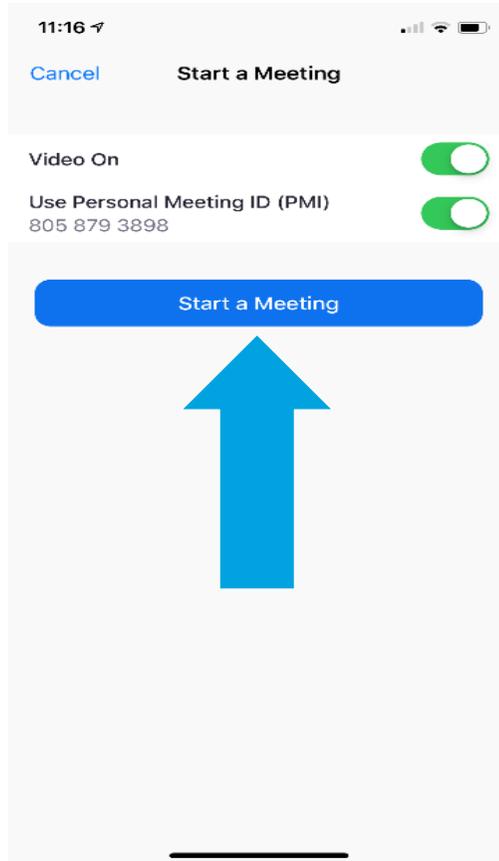

Turn on the 'Use personal meeting ID' button

Step 4

Send the person you want to chat to the Personal Meeting ID.

You can send them a text message or a screen shot of your screen

Step 5

Press the '**Start a Meeting**' button and wait for your friend to join

Step 6

When you finish press the **end** button

Troubleshooting

Your friends can't hear you

Your microphone must be off, press the red microphone button to turn it on

Your friends can't see you

Your camera must be off, press the red camera button to turn it on

Troubleshooting

Your friends can see your garden
but not your face

You must be using your rear camera, press the change
camera button to use your front camera
