

Participant Questionnaire

- You are invited to take part in a research survey on the housing options of our ageing population.
- Your participation will require approximately 5-10 minutes.
- Taking part in this study is completely voluntary.
- Your responses will be kept strictly confidential, and digital data will be stored in secure computer files after it is entered. This paper copy will be destroyed once data has been transferred.
- The data is being collected on behalf of the Age Friendly Ireland National Programme for the purpose of gaining a better understanding of the perceptions and attitudes of older people to down-sizing/right-sizing and to identify obstacles that older people encounter when seeking to right-size. The information will be used by Age Friendly Ireland to influence local and national government policy.
- Your data is being collated in compliance with new GDPR (Data Protection) Legislation. It will be held for the 6 month period of the research project and will be deleted when the project is completed.
- Any report of this research that is made available to the public will **not** include your name or any other individual information by which you could be identified.
- Completing this survey indicates that you are 18 years of age or older and indicates your consent to participate in the research.
