

Looking for  
EU project  
partners?

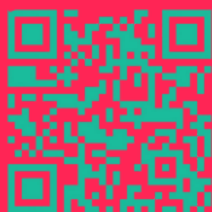

Want your  
organisation  
to be visible  
across  
Europe?

# ACCESS EUROPE PARTNER DATABASE

## What is it?

The Access Europe Partner Database helps Irish civil society organisations connect with potential partners across Ireland and the EU for EU-funded projects. Create a profile in the Access Europe Partner Database to showcase your organisation and be discovered by others looking for project partners.

Scan Here

## Why sign up?

- You're interested in EU funding programmes such as Erasmus+, CERV, Creative Europe, Horizon Europe, and more
- You want to expand your work and partnerships across Europe
- You're a non-profit organisation based in Ireland seeking European partners (NGOs, universities, public bodies)

## Create a strong profile

- Browse existing profiles for inspiration
- Watch our short step-by-step video tutorial
- Prepare your answers in advance
- Be clear about goals, strengths, and areas of interest

**Create your profile today!**
